

The Mount Moriah Foundation

Holy Land Tour

May 1 – 12, 2025

Day 1 Thursday, May 1, 2025

Depart MSP International Airport for your trip to Israel.

Day 2 Friday, May 2, 2025

Arrive in **Tel Aviv** and travel to your Hotel on the Mediterranean Sea.

Hotel- Leonardo Plaza Hotel, Netanya

Day 3 Saturday, May 3, 2025

The day begins at **Caesarea Maritima**. This important biblical seaport was built by Herod the Great around 22 BC in honor of Caesar Augustus. Philip the evangelist preached at Caesarea, Peter was sent there to minister to the Roman centurion Cornelius, and Herod Agrippa died at Caesarea. Caesarea was also prominent in the ministry of the Apostle Paul. He made Caesarea his port of call after both his second and third missionary journeys. (Acts 8:40; Acts 10:1, 24; 11:11; Acts 9:30, 18:22; 21:8)

Next, we travel to **Mt. Carmel**. This mountain is where the battle between Elijah and 850 false prophets took place. Mount Carmel was a place of worship to the false god Baal. (1 Kings 18:17-40)

We then head to **Megiddo**. The city of Megiddo was large and a strategic stronghold. Major traffic that would pass through northern Israel would have to pass by Megiddo. Twenty-six separate layers of occupation were found at Megiddo, each built on top of the ruins of the previous city. Armageddon is the compound that means “mountain of Megiddo”. (Joshua 12:7, 21; Judges 1:27, 5:19-20; Zechariah 12:11; Revelation 16:13-16)

The last stop of the day is **Nazareth**. Nazareth overlooks the Jezreel Valley and became important because it was the hometown of Jesus. Mary was here when an angel came to her and announced that she would be the mother of Jesus. Jesus preached His first recorded sermon in Nazareth. (Luke 1:26-38, 2:41-52; 4:16-30)

Hotel- Nof Ginosaur, Tiberias

Day 4 Sunday, May 4, 2025

We head north to **Tel Dan**. This is where God appeared to Jeroboam and promised to bless him if he would serve Him. However, Jeroboam turned away from the Lord and built golden calves in Bethel and Dan. After a severe warning from God, Jeroboam continued the worship of false gods, and the sin of Jeroboam became a pattern that the rest of the kings of Israel would follow. Today a replica of an altar is on display. (1 Kings 11:38; 1 Kings 12:25-31; 1 Kings 13:33-34; 1 Kings 15:33-34; 1 Kings 16:26)

The last stop of the day is **Caesarea Philippi**, the northernmost limit of Christ’s ministry. It sits on the southern slopes of Mt. Hermon near the ancient city of Dan. Jesus brought His disciples to Caesarea Philippi to put into their heart and mind the truth of who He was and what the mission of the church would be over evil. It was in Caesarea Philippi that the apostle Peter confessed Jesus to be “the Christ, the Son of the living God”. (Matt. 16:13-20; Mark 8:27-30; Luke 9:18-22)

Next, we travel to **Mount Bental**. During the Yom Kippur War in 1973, one of Israel's largest tank battles took place at the foot of Mt. Bental. The fierce battle earned the area below Mount Bental the name Valley of Tears. In 1974 a demilitarized zone was established between Syria and Israel and monitored by the UN.

The last stop of the day is at the **Jordan River** for those who desire to be baptized. Jordan means “go down”. The river flows from Mount Hermon to the Sea of Galilee and then down to the Dead Sea. The river is

mentioned several times in both the Old and New Testaments. John the Baptist baptized Jesus in the Jordan River. Matthew 3:1-17; Mark 1:4-8; John 1:28-34

Hotel- Nof Ginosaur, Tiberias

Day 5 Monday, May 5, 2025

We start the day with a **Sea of Galilee Boat Ride** and a visit to the **Jesus Boat Museum**. The Sea of Galilee is referred to in Scripture by names like Ginnosar, Lake of Gennesar, Gennesaret, Sea of Chinnereth, Kinneret, and Sea of Tiberias. Many of Jesus' miracles were done around the Sea of Galilee. The two most famous are when He calmed the storm while on the sea and when He walked on water to meet up with His disciples. (Numbers 34:11; Matthew 4:18-22, 23-27, 14:22-33; Luke 5:1; John 21:1)

Next, we travel to the **Mount of Beatitudes**. This is the area where Jesus delivered the Sermon on the Mount. A Byzantine church was erected here in the 4th century and was used until the 7th century. The current Church of the Beatitudes is an octagonal building representing the eight Beatitudes. (Matthew 5-7; Luke 6:17-49)

Our next stop is **Capernaum**. Jesus moved to this special town, located on the Sea of Galilee after being rejected in Nazareth. Jesus used Capernaum as His ministry base. He taught at the synagogue at Capernaum and healed Peter's mother-in-law here. He also healed the centurion's servant, the paralytic man who was let down through the roof, and raised Jairus's daughter from the dead. (Matthew 4:12-17; Mark 1:21-34, 5:21-43; Luke 5:17-26, 7:1-10)

A short drive takes us to **Magdala**. In 2009, while constructing a guesthouse on the shores of the Sea of Galilee, archaeologists found a First Century synagogue. Inside the synagogue, they found the Magdala Stone. Mary Magdalene was from here and Jesus would have visited and taught in the synagogue. (Matthew 15:39; Luke 8:1-3)

The last stop of the day is **Mount Arbel**. History and tradition point to Mount Arbel as the place where Jesus gave the Great Commission to go into all the world and preach the gospel. Mount Arbel is located on the west side of the Sea of Galilee and is the tallest mountain around the Sea of Galilee. (Matthew 28:16-20)

Hotel- Nof Ginosaur, Tiberias

Day 6 Tuesday, May 6, 2025

We leave the hotel early, heading south, and stop at **Bet Shean**, which had been inhabited for over 5,000 years. It was known as Scythopolis and was mentioned in B.C. Egyptian documents. During excavations, 18 different cities have been unearthed that were built upon its ruins. The Philistines nailed the body of King Saul here after their victory at Mt. Gilboa (1 Samuel 31:8-12). The city was then captured during the days of King David. An earthquake in 749 A.D. destroyed the city leaving the ruins we see today. (Joshua 17:11, 16; Judges 1:27)

We drive to Jericho, one of the world's oldest cities. Archaeological excavations have shown that an ancient civilization existed here. God used Joshua to capture the city by marching around it for seven days, however, Rahab and her family were spared. (Joshua 6)

Continuing south, we have a short stop at **Qumran**, which sits on the northwestern side of the Dead Sea. The first of the Dead Sea Scrolls were discovered in one of the caves here in 1947 by young Bedouin Shepherds.

The next stop takes us to **Ein Gedi**, an oasis near the Dead Sea. It has an abundant supply of water and even a few falls along the way. It was at Ein Gedi where David hid in a cave while hiding from Saul. A few of the Psalms may have been composed by David here. (1 Samuel 23:15-29; 24; Psalms 57; 142)

Our last stop of the day is at the **Dead Sea** to enjoy floating on the water. The Dead Sea (the "Salt Sea" as the Bible calls it) is 1400 feet below sea level and is the lowest point on the earth's surface. Sodom, Gomorrah, and

other cities of the plain were located around this area. The area around the Dead Sea was lush and well-watered before God destroyed the area with fire & brimstone. (Genesis 13:10, Genesis 18 and 19)

Hotel- David Resort & Spa, Dead Sea

Day 7 Wednesday, May 7, 2025

We start the day ascending to the top of **Masada**. The name Masada means “stronghold” and was a fortress and palace built by King Herod. The fortress was used by Jewish Zealots against the Romans, in which 960 zealots died by suicide, rather than be taken and enslaved by the Romans. Some of David’s Psalms may have referred to this location. (1 Samuel 22:3-5; Psalm 18:2, 31:2-3, 71:1-3, 144:1-2)

Next, we visit **Tel Arad**. Israel captured Arad in the conquest under Joshua. Later, in around 940 BC, an Israelite settlement was established here. Because Tel Arad is so strategically located and important, it was destroyed and rebuilt 6 times from the 9th to the 6th centuries. It was most likely destroyed in 701 BC by the Assyrians and again by the Babylonians in 587 BC.

We end our day at **Tel Beersheva**. The city was the southernmost city of Israel in the Old Testament. When Hagar and Ismael were forced to leave Abraham’s camp, they wandered in the wilderness of Beersheba. Isaac and Abimelech quarreled, then made an oath here. Isaac’s servants then found water and he named it Beersheba (“well of the oath”). (Genesis 21:14; Genesis 26:26-33; Judges 20:1; I Samuel 3:20.)

Hotel- David Resort & Spa, Dead Sea

Day 8 Thursday, May 8, 2025

The day starts at **Wadi Kelt**, located between Jerusalem and Jericho. It is widely identified as the place called the Valley of the Shadow of Death in the Bible.

On the way to Jerusalem, we stop at the **Good Samaritan Inn**. According to the tradition, the site may have been the location of the event of the "Parable of the Good Samaritan" in the Gospel of Luke. (Luke 10:25-37)

We end the day at **Genesis Land** before driving to Jerusalem. Genesis Land is situated in the heart of the Judean desert, in the land where the Patriarchs lived. You will experience life as it was in biblical times, ride a camel, and enjoy a delicious meal.

Hotel- Prima Kings Hotel, Jerusalem

Day 9 Friday, May 9, 2025

We begin the day at the **City of David** and visit **Hezekiah’s Tunnel** and the **Pool of Siloam**. Hezekiah’s Tunnel is believed to date back to the reign of King Hezekiah of Judah. The tunnel is 583 yards long and is an engineering marvel considering the lack of tools they had. The pool is fed by waters from the Gihon Spring, located in the Kidron Valley. According to the Gospel of John, it was at the Pool of Siloam where Jesus healed the blind man. (2 Kings 20:20; 2 Chronicles 32:1-5, 30; John 9:1–11)

Next is the **Jerusalem Archaeological Park**. Included in the park are the remains of the Second Temple Period of Jerusalem. The site includes the Southern Wall of the Temple Mount, the stairs to the Hulda Gate, the remains of Robinson’s Arch, ritual baths used by migrants, and a Herodian Street.

We will then stop at the **Western Wall**. For hundreds of years before 1967, people prayed in the small area of the wall that could be seen at that time. However, in 1967, following the Six-Day War, Israelis excavated below the ground level of the wall and found two more stone rows. They then cleared the area around the wall to create the Western Wall Plaza that is seen today.

To end the day, we stop at the **Upper Room**. Jesus ate the Passover with His disciples in the Upper Room which is the likely place Christ appeared to His disciples after His resurrection. (Luke 22:7–13; John 20:19-29)

Hotel- Prima Kings Hotel, Jerusalem

Day 10 Saturday, May 10, 2025

We begin the day at **Golgotha** and the **Garden Tomb**. Although it cannot officially be claimed as the place where Jesus was crucified and buried, it does fit with historical and biblical accounts. Location matters little, what does matter is that Jesus died for our sins and that He is risen! (Matthew 27:32-66; Mark 15:21-47; Luke 23-24; John 19:16-42; 20:1-18)

Our next stop is the **Pool of Bethesda** and the **Church of St. Anne**. Bethesda means “House of Mercy”. It was at this pool in John 5:1-15, that Jesus healed a paralytic man who had suffered for 38 years.

We continue through the streets of the Old City of Jerusalem walking the path of the **Via Dolorosa**, which means “The Painful Path or The Way of Suffering.” It’s the route Jesus walked as he went from His trial before Pilate, at Antonia’s Fortress, to His crucifixion at Golgotha. The Via Dolorosa has 14 stations honoring the events that took place as Christ made His way to Golgotha to be crucified. (Luke 23:13-56)

The **Church of the Holy Sepulcher** is the last stop on the Via Dolorosa. This church is within the walls of the Old City of Jerusalem. Some of the denominations that share this property are Greek Orthodox, Roman Catholic, and Armenian Apostolic. Their traditions hold that two holy sites are here, where Jesus was crucified and Jesus’ empty tomb.

This afternoon will be spent in **Bethlehem** and a visit to the **Shepherds Field**. Bethlehem means “house of bread”. It is the shepherds’ field, that is believed to be the birthplace of Jesus. Also, this is the birthplace of King David, and where he was a shepherd tending his father’s flocks. Samuel the prophet of Israel anointed David in Bethlehem. (Luke 2:1-7; I Samuel 16:1-13, 17:34-37)

Hotel- Prima Kings Hotel, Jerusalem

Day 11 Sunday, May 11, 2025

We drive to the **Mt. of Olives** for a panoramic view of Jerusalem. The Mt. of Olives not only is the mountain with the Garden of Gethsemane, but it also is the place where Jesus preached the Olivet Discourse, and where He ascended to heaven. (Matthew 24 and 25; Acts 1: 6-12)

We walk down from the Mt. of Olives to the **Garden of Gethsemane**. Gethsemane means “oil press”. It is here where Jesus would frequently go to pray with His disciples. Jesus was in Gethsemane when He was arrested the night before He was crucified. (Matthew 26:30-56; Mark 14:32-52; Luke 22:39-53; John 18:1-11)

The **Israel Museum** is our next stop. The Museum houses works dating from prehistory to the present day. Features include the most extensive holdings of biblical and Holy Land archaeology in the world. Among the highlights of the museum is the **Shrine of the Book**. The Shrine houses the Dead Sea Scrolls, the oldest biblical manuscripts in the world, as well as rare early medieval biblical manuscripts. Adjacent to the Shrine is the **Model of Jerusalem** in the Second Temple Period, which reconstructs the topography and architectural character of the city as it was before its destruction by the Romans in 66 CE.

A visit to **Yad Vashem** is next, Israel's official memorial to the victims of the Holocaust begins our day. It is dedicated to preserving the memory of the Jews who were murdered; echoing the stories of the survivors; honoring Jews who fought against their Nazi oppressors, and Gentiles who selflessly aided Jews in need.

The afternoon will be free time in the Jewish Marketplaces: Machene Yehuda; Ben Yehuda St; Jaffa Road; Mamilla. We then head to the airport for a late-night departure.

Day 12, Monday, May 12, 2025

Arrive home.
